

Help us earn money for our School!!

Our school has been invited to participate in the Prevent Blindness READ TO SEE fundraising campaign.

We're excited to be a part of READ TO SEE because this unique fundraiser does a lot for our school, our students, and our community. In the coming days your child will be sent home with their campaign material. Please take a few minutes to discuss this with your child and encourage their active participation.

READ TO SEE utilizes our reading programs to challenge students to read! Their efforts and sponsorships for meeting their reading goals will help our school to earn money for new books and resources! This program also supports the vision screening program in our school.

This is a great opportunity for our students to do something positive for our school and our community simply by reading and seeking sponsors for their goals. If you'd like to learn more about the READ TO SEE Campaign please stop in and visit the Library or go to www.TheEyeSite.org.

85% of what a child learns in a normal classroom setting is through vision. Help us make sure that kids across our state can SEE to read!
